COLLEGE OF LIBERAL ARTS

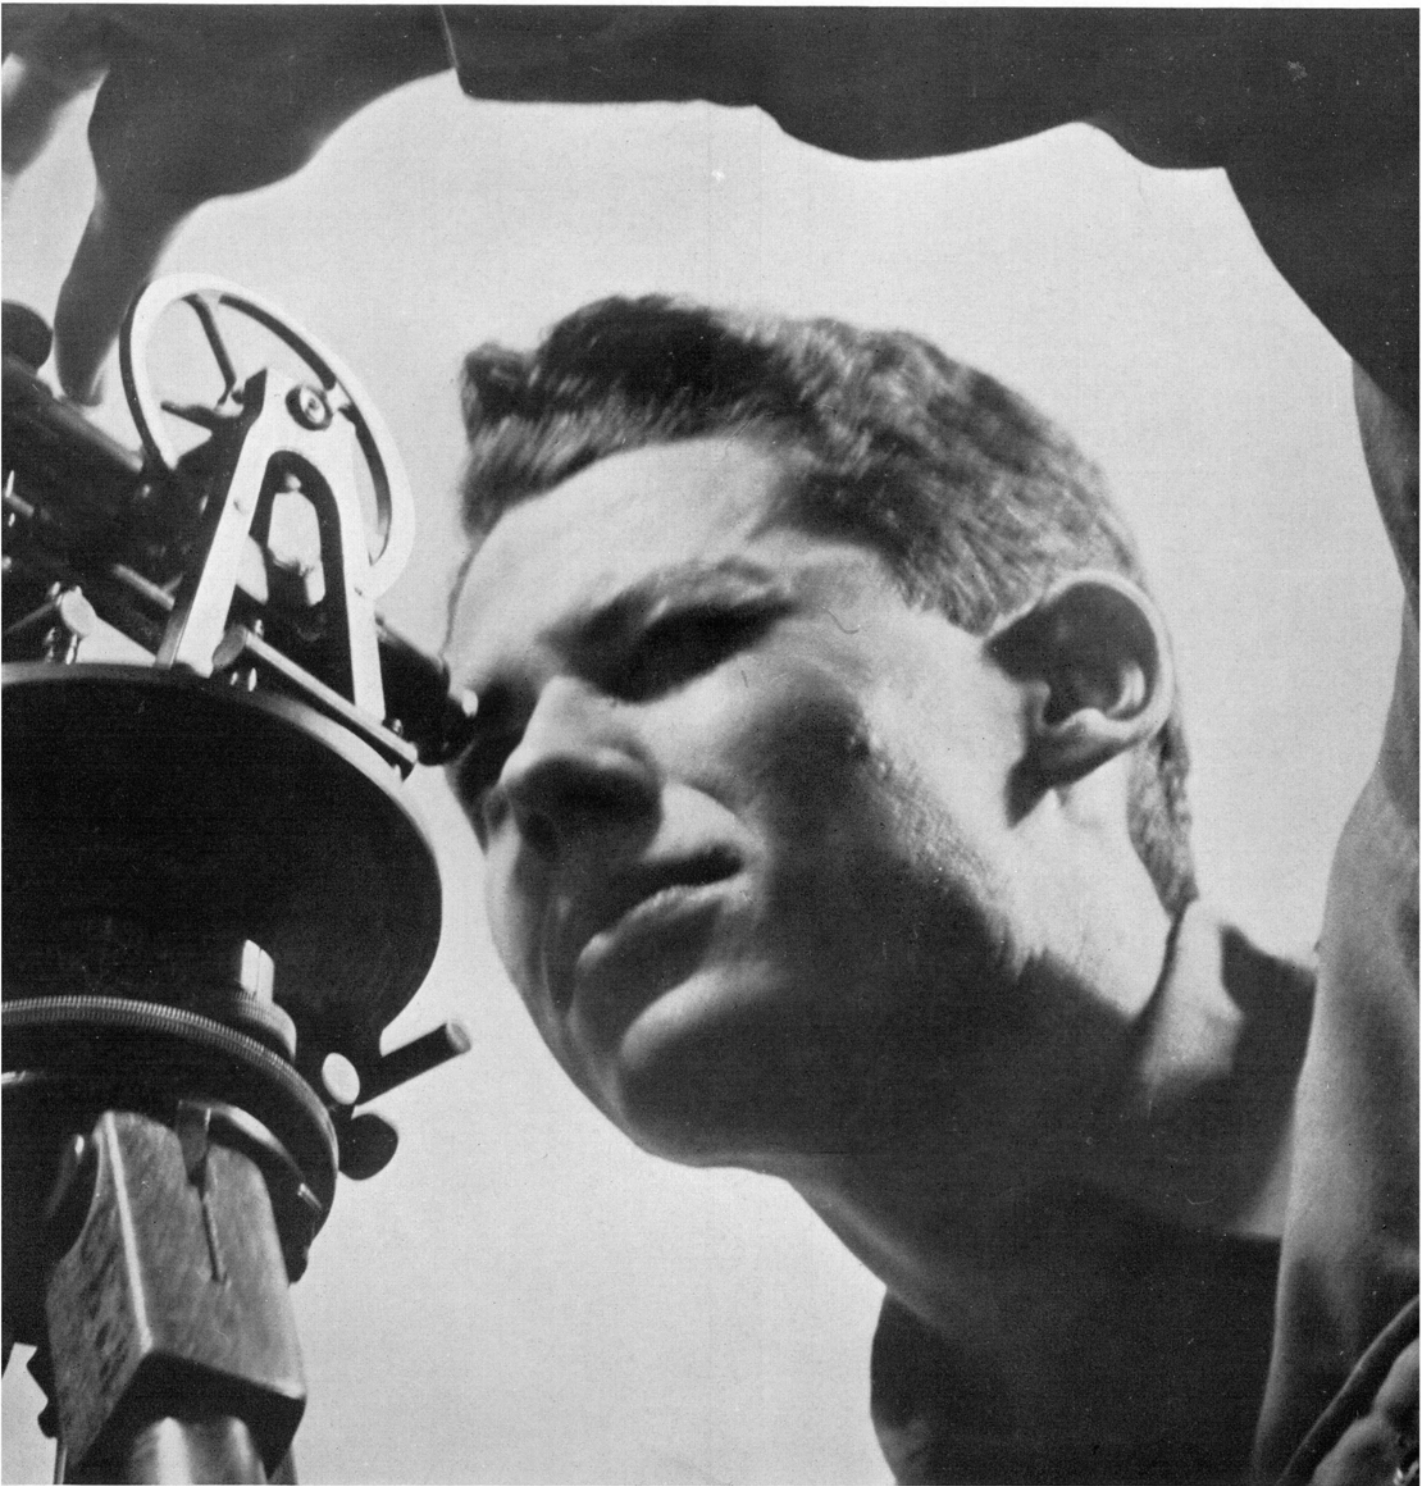

The purpose of the George Franklin and Sarah Catherine Getty College of Liberal Arts is to prepare the student thoroughly to enter his life work, or in going further into scholastic endeavor to give him such a back-ground of the arts and sciences so that he **may** readily understand and comprehend the problems that lie before him.

For purposes of administration, correlation, and integration the Liberal Arts College is divided up into literature and **arts**, natural sciences, social sciences, and teacher training. The curriculum is shaped to meet as far as possible the needs, interests, and abilities of the individual student.

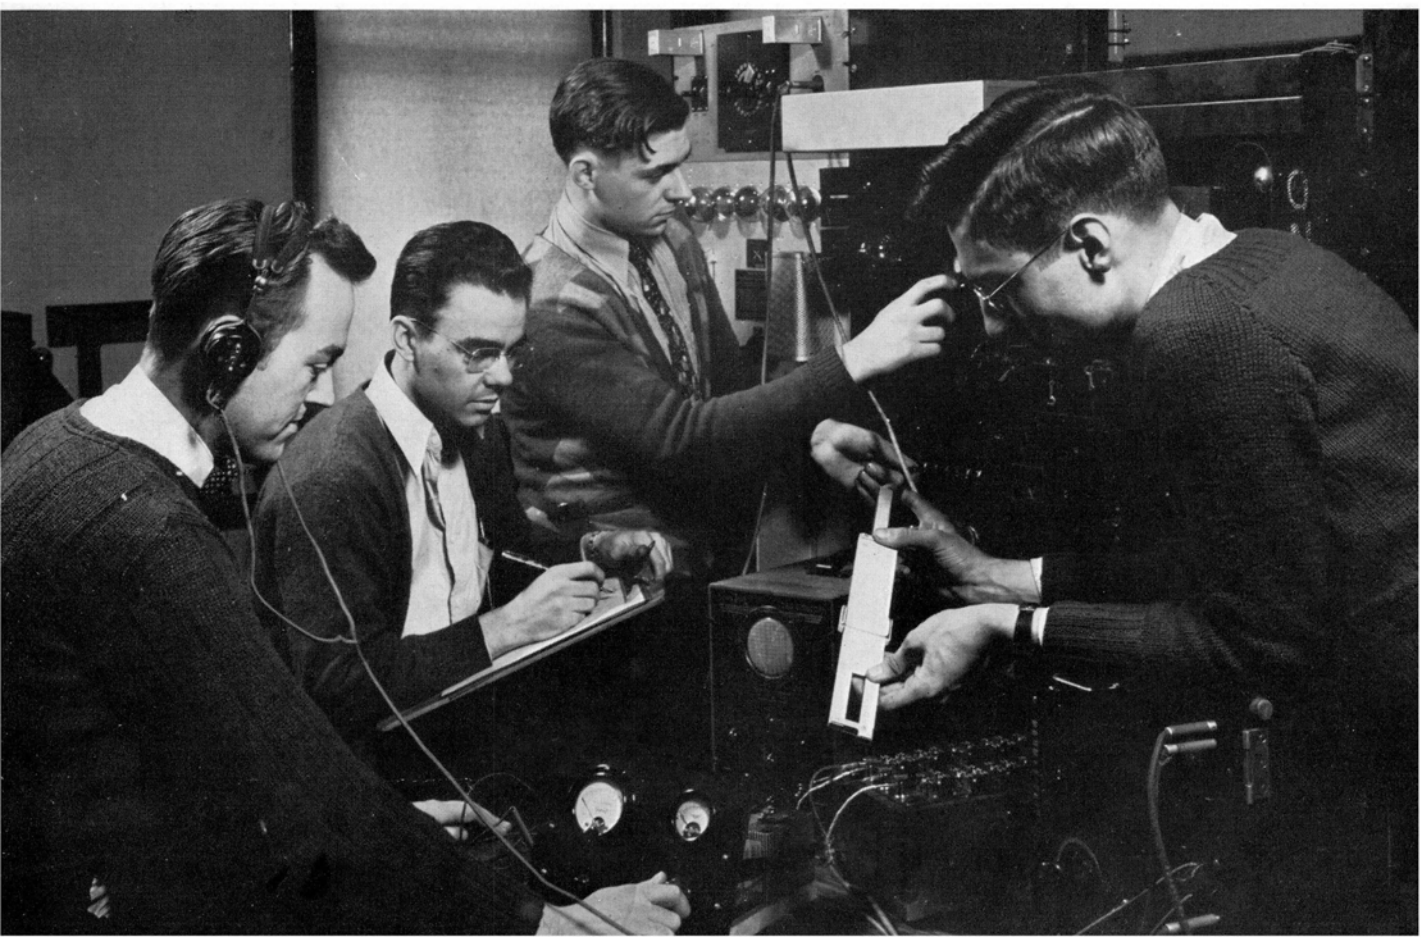

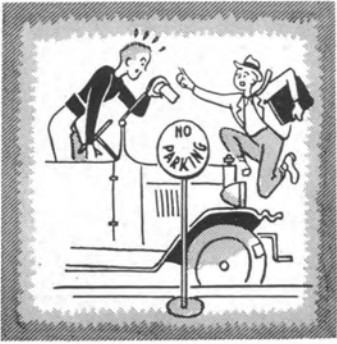

C O L L E G E O F

The Ohio Northern Engineering College offers three complete courses in the field of engineering: civil, electrical, and mechanical. Together with these fields of engineering it also offers one of the newer branches, pre-aeronautical engineering. Training offered gives the student the ability to cope with all problems in his field.

E N G I N E E R I N G

COLLEGE OF LAW

The Warren G. Harding College of Law was organized in 1885 and since that time has graduated many prominent men including judges, members of federal boards, prosecuting attorneys, and national representatives. The chief reason for the success of the graduates is the aim behind its operation, inculcation of a systematic grounding in the history and fundamental principles of law.

COLLEGE OF PHARMACY

The purpose of the College of Pharmacy has been to prepare men and women to meet not only the legal requirements of the profession but also the increasing public demand for educated and trained pharmacists. The selection, standardization, preservation, and dispensing of drugs, medicines, and chemicals and drug store administration are the organized courses in which the student is trained.

A D M I N I S T R A T I O N

Success in any institution is largely due to efficient management and administration. Ohio Northern has been fortunate to have at the head of its various administrative departments persons possessing unlimited knowledge and years of experience. Through their hard work and unfailing guidance Ohio Northern University has risen to greater planes of achievement and usefulness.

NORTHERN'S PRESIDENT

From a mill worker at Skipton, a mere Yorkshire lad, through the years to the office of presidency of Ohio Northern University, is the life story of Robert Williams.

Born in Skipton, England, he later worked in the mill where his father was employed. But this energetic, zealous lad was not satisfied with life as a mill hand, he came to America and worked his way through East Greenwich Academy, Old Wesleyan, and Boston University. Adequately prepared he returned to Greenwich as vice-president, then to Dickinson, and then to Albion as administrator. Then, in 1929 he came to Ohio Northern. His philosophy of life is that anything worthwhile is worth working for.

Fortunate indeed is Ohio Northern to possess a man of such natural abilities and sterling qualities as Dr. Williams, president of the University. Throughout the years of his presidency, he has shown himself to be an efficient administrator, keen observer of world affairs, a true scholar, and a gifted orator.

The primary aim and objective of Ohio Northern University has been ever since its founding to include in its faculty, men and women who were leaders and specialists in their respective scholastic fields. This purpose has ever been in mind in the selection of Ohio Northern's faculty, and as a result the institution finds itself with men

On a September day in the Fall of 1936 a group of boys and girls, an expression of bewilderment written across their countenances and with something akin to homesickness lingering in their hearts, found themselves in the astute ranks of the college men and women. But these shy and timid youngsters have grown quickly into their educational environment to become typical students of Ohio Northern. As they leave this institution, we as their underclassmen, wish for them the same splendid success in life as they have enjoyed at Northern, and we know the heights to which they climb will be the traditional path of the Ohio Northern graduate.

One stone the more swings into place
 In that dread Temple of Thy Worth.
 It is enough that, through Thy Grace,
 I saw naught common on Thy Earth.
 Take not that vision from my ken—
 Oh whatsoe'er may spoil or speed.
 Help me to need no aid from men
 That I may help such men as need!

With somewhat more of an air of sophistication, a more dignified carriage, an enlarged vocabulary exposing signs of culture was part of the preparation made by members of the Junior class who will next year, assume the ranks of the staid senior. Apart from their scholastic records and cultural achievements they have devoted themselves to the social side of college life this year. Under the guidance and leadership of President Paulene Cole, the juniors sponsored one of the prominent dances in the school season on April 5th. The Junior Prom featured the battle of the bands, which like all wars, ended up with no one knowing who the winner was.

Having risen from the ranks, as Horatio Alger would probably have put it, this group of Northern students at the beginning of this year found themselves in the ranks of the solemn sophomores after graduating from the freshmen class. Probably one of the most active classes on the campus this group has set pace even for their upperclassmen, not only maintaining high scholastic records and setting some records in various departments but also taking command of various organizations in the University. Scholastic achievements in pharmacy, dramatic action in "Pure as the Driven Snow" are only two of their many countless achievements throughout the year.

Dumb, smart, dull, witty, meek, over-bearing, and green are only a few of the myriads of adjectives that are supposed to adequately describe the modern college freshman. The annual freshman mixer at Taft Gymnasium and the Brother-Sister bonfire held at Community Park were only two of the social events held during the first few days of the college careers of these freshmen to acquaint them with the campus life. But after the first few weeks had passed, after they had thrown away the customary orange and black freshman hats, Northern upper-classmen scrutinized their ranks with more awe and reverence for here was future dramatists, football men, scholars, debaters —typical students of ONU .

Least appreciated and yet most widely used is the invention of printing. From it grew modern means of communication of facts and thoughts—the newspaper, the magazine, the book. Behind it all, the arduous work of the journalists—the editors, the reporters, the writers. Write and rewrite, work and slavery, and the final achievement, the printed book.

Lincoln debates. Beethoven plays. Garrett acts. All are considered among the fine arts. All began in the mind of ancient man. He murmured when he disagreed; he marvelled at the sound of the taut string; he tried to imitate his neighbor. Debate, music, dramatics give man an opportunity to manifest the meaning of true civilization.

Northern Players

Northern Players presented a one-act play entitled "When the Whirlwind Blows" on homecoming evening for the alumnae and guests.

During the winter quarter the group enacted a "melodrammer" entitled "Pure As The Driven Snow or A Working Girl's Secret." The audience responded to the play in typical fashion.

The activity of the club during the spring quarter centered about the presentation of the well-known stage production, "Our Town." The play required one of the largest casts of any play presented at Ohio Northern for several years.

Officers of Northern Players were Robert Klotman, president; Catherine Goeke, vice-president; Lelia Mae Baum, secretary; and Robert Fair, treasurer.

Freshman Players

The freshmen have organized to carry on preparatory work for membership in Northern Players next year. The group has studied carefully fundamental back stage work necessary for play production.

On January 24, the club presented three one-act plays entitled "Dinner for Two", "The Opening of a Door", and "Three's a Crowd." "Campus Quarantine", a three-act play, was presented during the spring quarter.

Officers for the freshman players were De Ford Schwall, president; Patty Frase, vice-president; Pat Smullenberger, secretary; Betty Messenger, treasurer; Robert St. Clair, segt. at arms; Paulene Cole and Curtis Craumer, student advisers; and Major Cliffe Deming, director of the plays.

Resplendent in new uniforms, the O.N.U. Band is one of the best groomed musical organizations on the campus. During the football season, they adorned many a gridiron with their brilliant playing and neat marching formations.

As a concert unit, they have been billed this year, both in home concerts and out-of-town engagements. The O.N.U. Symphonic Band attributes their splendid success this year to increased size of membership and their programs which contained the very best in classical and modern symphonic literature.

The band is under the direction of Harold G. Davidson, who is a nationally known composer.

Professor Watson

This year the group elected officers. They were Robert Lintz, president; Wesley Sowards, vice-president; Roberta Holcomb, secretary; Mary Bashore, treasurer; Richard Cottrell, librarian; and Willis Jarvis, manager.

The school orchestra is under the leadership of Professor Donn Watson. Each Monday and Wednesday the members can be found in Presser auditorium rehearsing. Since 1938 when the orchestra was reorganized it has made continued progress.

This year at the spring concert given in March the orchestra played Mozart's G minor Symphony. Besides giving a concert in the Spring the orchestra furnished music between acts at plays given by the dramatic groups on the campus. It also takes part in the Spring festival, the Christmas program and the Easter Cantata.

MENS DEBATE

Left to right: James Sweger, Donald Roberson, Marshall Rogers, Walter White, Deford Schall, and Lawrence Woodworth.

Men's Debate

"Resolved, that the United States should adopt a policy of strict economic and military isolation toward all nations engaged in international and civil conflict outside the Western Hemisphere," was the subject argued pro and con by members of the Men's debate team. Those representing the affirmative side were Donald Roberson, Marshall Rodgers, and James Sweger. Representing the negative were Walter L. White, Larry Woodworth, and Deford Schall.

Under the able direction of Major Cliffe Deming, Northern's men did remarkably well, placing fourth in the state of Ohio. Several debates were presented in Chapel, and members of the debate team successfully competed in the state wide contest each Saturday over Radio Station WBNS in Columbus.

Women's Debate

During the debate season, Ohio Northern's women forensic team made a fair showing, and the girls gained much valuable experience in public speaking and the presentation of subject matter to audiences. The proposition for debate was "Resolved, that legislation should be enacted providing for conscription of wealth in time of war." Throughout the year the team met in non-decision debates on the campus, students representing Ohio University, Wittenberg College, and Capital University.

Members of the team are Paulene Cole, Viona Elwood, Earline Marie Frase, Helen Arnold, and Wanda Slaybaugh. Major Cliffe Deming is the coach.

WOMEN'S DEBATE

To promote closer friendships, to enlarge his scope of knowledge, to increase his interests, to protect himself, and to further civilization, man invented organizations. College clubs and honoraries revolve around certain phases of the activities of man and the world about him — engineering, the natural sciences, Christian fellowship, government, air transportation, and the law.

The Ohio Northern Pharmaceutical Association is an organization which is open to all pharmacy students.

The association holds monthly meetings at which talks are given by faculty members and representatives of pharmaceutical.

Each year during the last part of April the organization sponsors an open house program in order that former students may return to learn of the newer developments in education and the laity may learn what is required of the prospective pharmacist.

The officers for the year were Edward Johnson, president; William Sutherin, vice president; Morton Strauss, secretary-treasurer; Walter Zimmerman, social chairman; and Milton Neuroth is the faculty adviser.

O. N. E. S. A.

In 1935 the Ohio Northern Engineers' Speakers Association was organized by fifteen engineering students who were interested in the betterment of their speaking ability.

Realizing the value of such a group the engineering students have expressed such a great desire to become members that it became necessary to set a limited membership of fifteen to be chosen from the upper classmen.

The group gathered weekly at a local hotel, and following a dinner, two prepared and one extemporaneous speech on non-technical subjects were given. The program was conducted by a temporary toastmaster each week and the meetings were concluded with criticisms of the speakers and toastmaster with the improvement of speech ever in mind.

Chemist's Club

The Chemist's Club is composed of students majoring in chemistry and those interested in chemistry. The organization holds bi-monthly meetings, one of which the members participate and the other in which an outside speaker lectures. Students present paper and give talks on the various aspects of the field of chemistry.

The club plans inspection trips of such industries as oil refineries, rubber and refrigeration plants. The membership of the club is now working to become more closely affiliated with the student branch of the American Chemical Society. Officers of the club are Luther Lust, president; Donald Roberson, vice president; Forest Guard, secretary and treasurer. Dr. Jesse Harrod and Dr. Lewis Miller are faculty advisers.

Biology Club

For those students majoring or interested in the biological sciences, the Biology club was organized several years ago, through the efforts of Dean Huber. Dr. Dobbins and Dean Huber are the faculty advisers.

At the bi-weekly meetings throughout the year guest speakers have been Dr. John Kramer and the nurses of the health department of the university; Professor Clyde Lamb, Dr. C. H. Freeman and Dr. J. R. Harrod of the faculty. Students also report on special projects, book reviews, and resumes of biological conferences. Social events include picnics and soup suppers.

Officers of the year were Earl Robinson, president; Paul Feinerer, vice-president; and Joan Shaw, secretary-treasurer.

A. I. E. E.

The American Institute of Electrical Engineers authorized the organization of student branches in 1902. Any student majoring in Electrical Engineering is eligible for membership.

The purpose of the organization is two-fold: first, to benefit its members by giving them the opportunity to present papers and talks, participate in Engineers Week, inspection trips and similar activities; and secondly, to prepare the students for active membership in the American Institute of Electrical Engineers after graduation.

Guiding the group through a successful year were Richard Papenhausen, president; Eugene Rogers, vice-president; Warren Doty, secretary; Walter Orr, treasurer; and D. S. Pearson, faculty adviser.

Commercial Club

The appearance of a Commercial Club on Ohio Northern's campus this year was gratefully received by junior and senior students of both the Commercial and Business Administration Departments. Although the Club was actually organized by the students, the faculty encouragingly gave its whole-hearted support.

Under the supervision of a temporary toastmaster, the Commercial Club held bi-weekly dinner meetings at which prominent men of business spoke on problems confronting the business world of the day.

Officers elected for the past year were John Warner, president; Willard Seitz, vice-president; Daphne Okuley, secretary; Kay Knisely, corresponding secretary; and Instructor Warren Hauser, faculty adviser. Miss Elizabeth Lewis and Professor George W. Patton served as honorary advisers.

Nu Theta Kappa

Nu Theta Kappa, an honorary fraternity, gives recognition to the engineering students who have excelled in academic activity. By recognizing attainments during the four years of college life, it hopes to promote a higher standard of workmanship among the students.

The pledges were required to go through an initiation. Their main duties were to make a large wooden replica of the honorary key and to wear a piece of equipment symbolizing the division of engineering to which they belong.

Members of the faculty who belong to the organization are Dean J. A. Needy, Alex H. Webb, and D. S. Pearson.

The officers for this year are Joseph Nave, president; Joseph Wertheimer, vice-president, Robert Messersmith, secretary; and Merlin Scharer, treasurer.

Engineers' Executive Committee

In order to increase the effectiveness of the engineering college as a whole and secure closer cooperation between the various departments, one representative from each engineering society on the campus is chosen to form the Engineers, Executive Committee.

The main purpose of the group is to promote a greater interest in the science of engineering.

The committee also arranged and conducted the activities of Engineers' Week, one of the outstanding events at Northern, held annually in commemoration of George Washington.

Members of the committee this year were Robert Ash, Richard Papenhausen, Joseph Wertheimer, and Walter Wojnar.

A. S. M. E.

The student branch of A.S.M.E. established at Ohio Northern University in 1920, has at all times been an active technical organization and continues to show steady progress under the leadership of Dean Needy, faculty adviser.

The society has held bi-monthly meetings in which the students present papers on current technical subjects. Lectures have been presented in which the students have demonstrated their talks with apparatus. There have been inspection trips and a trip to Washington, D. C., where the group attended the National A.S.M.E. convention.

Officers of the society were Robert Roth, president; Walter Wojnar, vice-president; John Bowden, secretary; Joseph Wertheimer, treasurer; and Dean John A. Needy, honorary chairman.

The Ohio Northern Student Chapter of the American Society of Civil Engineers is a technical group meeting bi-monthly for the discussion of the activities relative to this branch of engineering. It is open to all students enrolled in the department of Civil Engineering.

In addition to inspection trips to Lima, Delphos, and Bellefontaine, the Civil Engineers attended the Northwestern Conference of Student Chapters at Columbus, Ohio, sponsored by the National Organization, and the National Road Show at Chicago, Illinois.

The officers this year were Robert Ash, president; Ralph Weaver, vice-president; Charles Hanline, secretary; Lloyd Clark, treasurer; and Professor Alex. R. Webb, faculty adviser.

The Aeronautics Club

This club makes its appearance on the campus of Ohio Northern for the first time. It is composed of twenty members from the college who had to pass a physical exam to become members. The club was organized after Ohio Northern was selected to receive Civil Aeronautics training.

The members elected Joe Nave, president, Joe Wortheimer, vice-president, and Richard Nickerson, secretary-treasurer. The members fly at the Lima Municipal Airport. They will each receive between thirty-five and forty hours of actual flight time. Along with this they receive seventy-two hours of ground school.

Upon conclusion of this work and flight training each student will be given final examinations, and those who pass will receive private pilot ratings.

Kappa Kappa Psi

Sigma Chapter of Kappa Kappa Psi was chartered at Ohio Northern University in 1927.

The members are selected for their musical ability and interest in the welfare and development of the University band.

The faculty members who advise the fraternity in its activities are Dean Potter, and Dr. T. J. Smull. The active members are Burton Bracy, president; William Seeley, vice-president; John Bowden, secretary; William Floyd, treasurer; and Henry Graham, editor.

Y. W. C. A.

The theme of the year for the weekly meetings of the Young Women's Christian Association was "Living With Ourselves and Others." The policy of having monthly joint meetings with the Y. M. C. A. was very successfully continued.

Among the projects of the organization this year were "Welcome Week" for the freshman girls which culminated in the Big Brother, Little Sister party and the Hobby Show conducted during the fall quarter. A dinner was given during Religious Week honoring the quest speaker, Dr. Walker. To raise funds for the Geneva Conference a bazaar was held during the week before Christmas.

Two Northern Ohio committee meetings were attended by Martha Bischoff. The organization has been ably assisted by an advisory board of faculty advisers.

Standing, left to right: Paul Stager, Thurman Forsythe, Harry Wise, Robert Binkley, Walter White, Paul Harris. **Sitting, left to right:** Fred Ernsberger, Tony Aliamo, Larry Woodworth, Robert Pugh, Prof. Patton.

Y. M. C. A.

Under the able leadership of its adviser, Professor George Patton, the Y.M.C.A. has greatly expanded its facilities. A billiard table in addition to the ping pong table has increased their equipment while the appearance of the rooms has been improved by the addition of new furniture. A marriage and a vocational guidance series were the highlights of this year's list of programs.

The officers were Larry Woodworth, president; Tony Aliamo, vice-president; Fred Ernsberger, program chairman; Robert Binkley, publicity chairman; Alfred Treharne, social chairman; Robert Pugh, secretary; and Walter L. White, commutor's representative.

A. W. S. Board

Dean Audrey K. Wilder founded the Association of Women Students as the governing body of all women students on the Northern campus. All women students of the university automatically become members of the association upon enrolling. Among the social activities sponsored by the A. W. S. throughout the year were the annual Fall potluck dinner, the Leadership dinner, the Christmas Formal dance, and other traditional events.

Members of the executive board are Gloria Wesley, president; Mary Swain, vice president; June Person, secretary; Geraldine Disbrow, treasurer pro-tempore, and Dean Wilder, faculty adviser.

HOUSE COUNCIL

Seated: Ruth Brown, Elaine McElroy, Beulah Brunson, Mary Bashore, June Person, Gloria Wesley. **Standing:** Ann Parrish, Eleanor Arnold, Roberta Holcomb, Geraldine Disbrow, Elizabeth Messenger, Mary Swain, Margaret Bretz.

Legislative Board and House Council

A part of the intrinsic division of the governmental plan underlying the constitution of the Association of Women Students, the Legislative Board and House Council meets regularly throughout the school year in strengthening various women's organizations to prevent their programs from overlapping and to determine their general policies.

The Board is composed of four A.W.S. officers, plus the president of the Y. W. C. A., the president of the W.A.A., the president of Pan-Hellenic, and representatives of the four classes. Dean Audrey K. Wilder is the faculty adviser.

Junior Bar

All students registered in Ohio Northern's law school are members of the Junior Bar. Objects of the organization are to promote a closer relationship among the students and to bring outside speakers to the Northern campus to give legal students a deeper appreciation and insight into the law.

Officers of the organization are David Burns, president; Clarence Purdy, vice president; Roland Berry, treasurer, and Thomas Runyan, secretary.

Sigma Delta Kappa

Originally called the Ohio Northern Law Club, in 1923 the group associated themselves with the Sigma Delta Kappa legal fraternity. There are more than forty such chapters throughout the nation. Among the more prominent members is United States Supreme Court Justice Frank Murphy.

The officers of the organization are Robert Tait, chancellor; Roland Berry, vice chancellor, and Edward Rhode, secretary and treasurer.

The Les Advocats was founded in 1939 as a society picked from a select group of legal students for the purpose of enhancing their public speaking abilities, to promote better friendship, and to increase their legal knowledge.

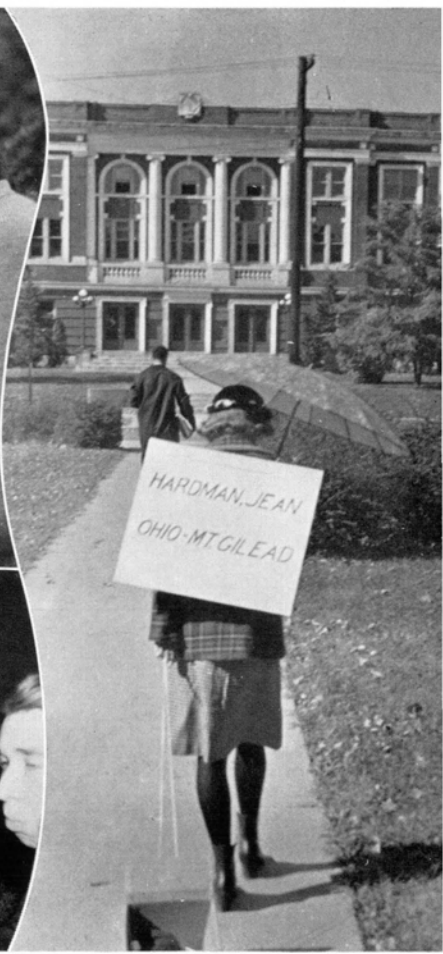

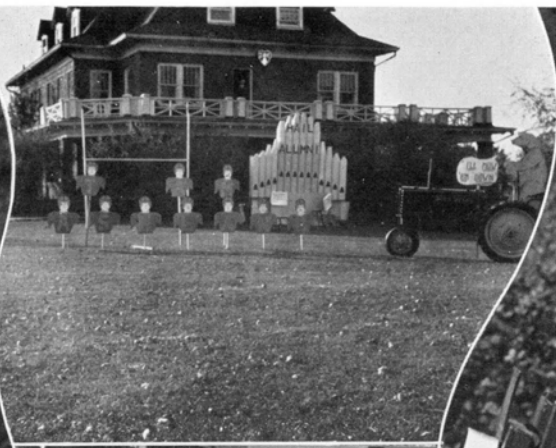

Chairmen during the past year have been Harvey Hyman, Fall; Sherbert Weiss, Winter, and Charles Koch, Spring.

The Toastmasters was founded in 1934. Members are chosen from the higher ranking law students. The purpose of the organization is to develop forensic abilities of its members both in forum and extemporaneous speaking.

Chairmen during the past year have been Clarence Purdy, Fall; John Kissner, Winter, and Ronald Berry, Spring. William Owen is an honorary member.

Eight representative girls were selected. Among those included were Esther Booher, Margaret Bretz, Ione Clark, Virginia Duval, Mary Floyd, Ruth Hover, Catherine Knisely, and Bettie Ransbottom. Four representative boys were selected. John Kissner, Richard Papenhausen, Herbert Parks, and Ped Rogers were chosen. Final selection was made by Don Ameche and Alice Faye.

Those selected were Margaret Bretz and Ione Clark, first and second respectively. Ped Rogers and Herbert Parks were chosen to represent the boys.

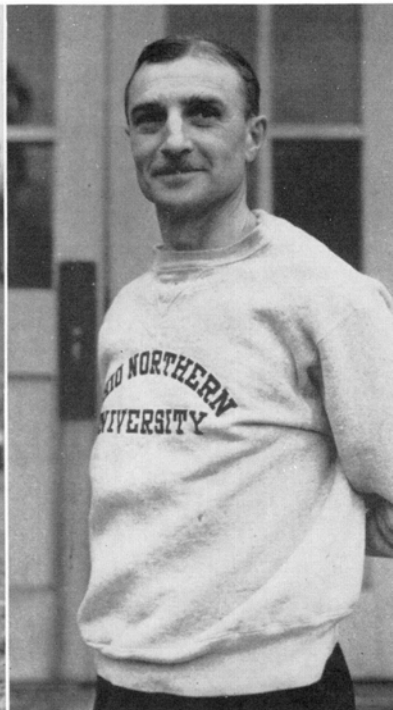

During the school year the 1940 Northern, through the business staff, conducted a beauty and personality contest on the campus. Selection was made of men and women who were outstanding on the campus.

CLYDE
LAMB

HARRIS LAMB is Northern's head coach. While attending Coe College he made the Mid-Western Basketball Conference team four times. Producer of Northern football and basketball teams his greatest interest is in "his boys." Other hobbies are hunting and golf.

CLYDE LAMB, also attended Coe College, and like brother Harris, has a master of arts degree from Columbia. He was track star at Coe. He is Northern's athletic director and freshman football coach. His biggest interests include golf, photography, and especially Bobby.

The loss of such players as Banyas, Hyman, Mallone, Trattner, LeBorge, and Goodner, most of whom graduated or failed to return to school this year caused a big gap for Coach Harris Lamb to fill with sophomores.

The team played good football in winning from Findlay, Ashland, Capital, Heidelberg, and Wooster. The losses were from the champions Muskingum, Mt. Union, and Denison.

Football Season

The Ohio Northern Polar Bears put the chill on Findlay 14 to 9 at Donnell Stadium September 22 for their first victory in their drive for the Ohio Conference championship. It was the second time in two years that the Bears scratched, bit, and fought to come from behind to triumph.

Wooster's tough former conference championship squad was host to the bears in the next game on September 30. A nasty chilling rain slowed the action and caused a lot of fumbles. Keel heaved a 32 yard pass to Novak on the Scot two yard stripe, and Gaylord Richardson plunged for the goal on the next play. The fin-

al score was Northern 6, Wooster 0.

Chances for the conference honors went dwindling on October 7, when the Orange and Black journeyed to Granville. The Big Red of Denison overcame a two touchdown Northern lead in the last half and walked off the field on the long end of a 21 to 12 score.

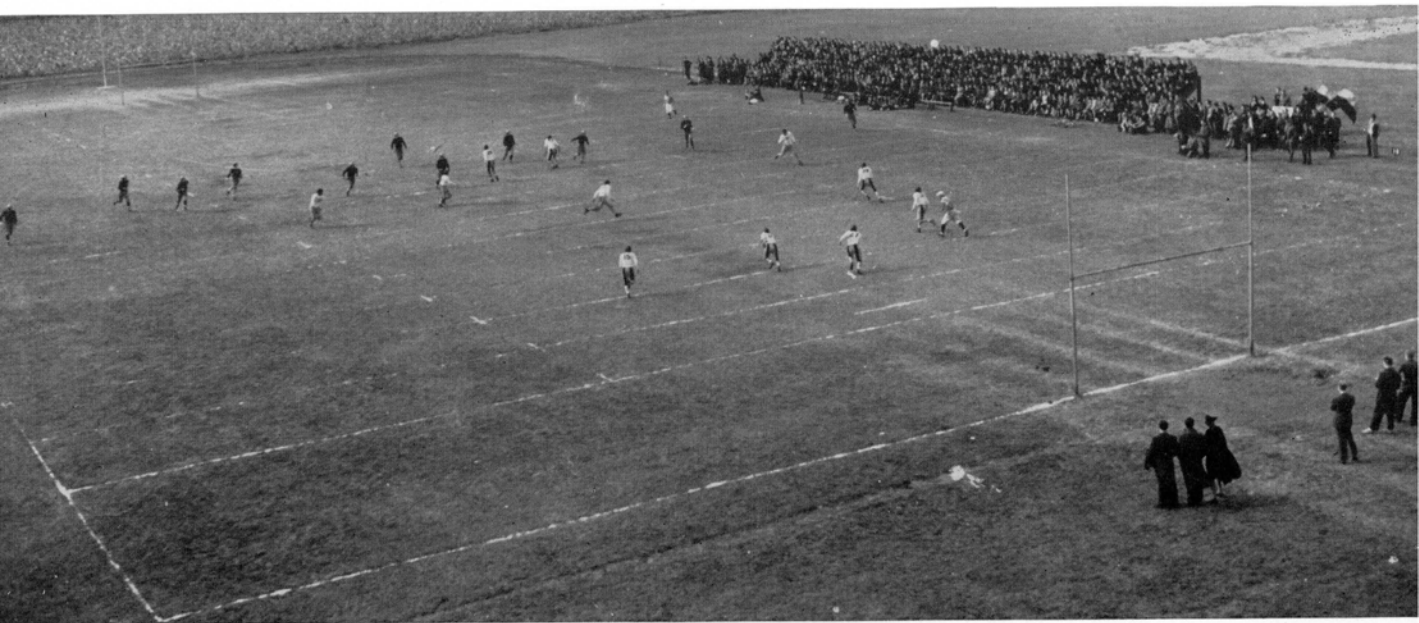

Heidelberg proved tougher than expected, with George Keel out of the lineup with an injured arm, the Bears were held to a 7 to 0 score by the Student Princes on October 14. It wasn't until the last quarter that two of Payne's passes to Mallone from the 45 to 12 and from the 12 into pay dirt, gave the Harrismen their only score.

In the first home game of the season on October 21 Ashland, furnished the Homecoming Day crowd with little excitement, for their assortment of cripples and general sympathy kept the Bears from rolling up more than a 32 to 4 score.

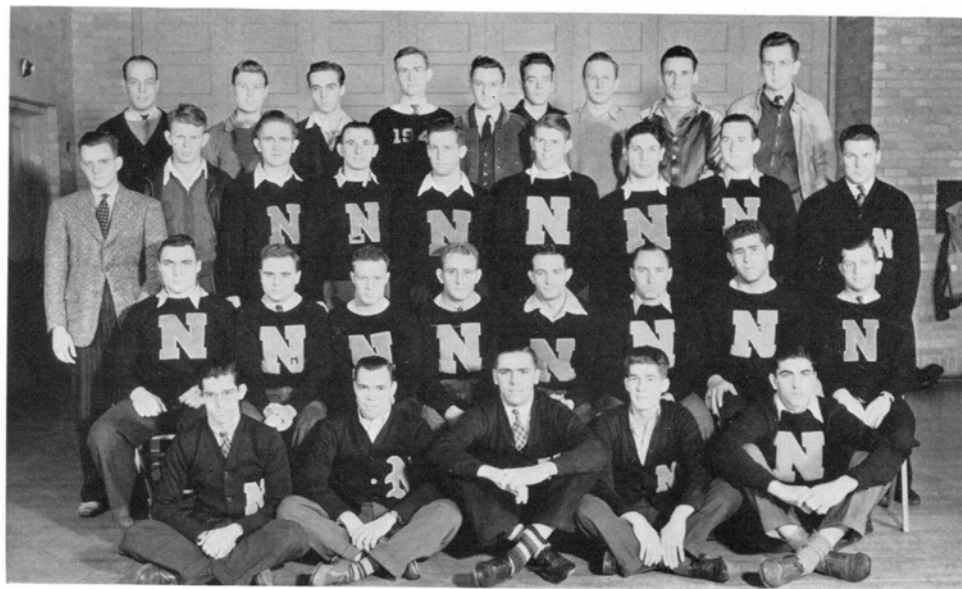

When Northern traveled to Columbus for the Capital game on October 28, rain poured steadily for 24 hours. The gridiron was a transplanted part of the Netherlands in rainy season; all slush and mud. Strangely enough that game was perhaps the best Northern played during the season, for they came out on top 6 to 0 due to inspired blocking by Novak, and the seeming web feet of Keel, who pranced through the ooze like a Kentucky thoroughbred mudder.

Muskingum proved too tough for the Bears the following week on the Taft field and rode roughshod through the line to swamp the Orange and Black 19 to 0 for their worst set back of the season. Keel was injured—three broken ribs; Bray was knocked out for half the game, and Lainoff was declared ineligible shortly before the game.

The last tussle of the season was played away from home at Alliance on November 11, when the Bears took on the mediocre Mt. Union squad. It was a beautiful clear, windless day, but the leaderless Bears had their claws snipped by the Purple Raiders 7 to 0. It was the second successive time on their home field that the Raiders downed the Bears by the identical score.

Varsity "N" Association

The Varsity "N" Association is possibly one of the most envied of all the various campus groups. Its membership is made up primarily from men who have distinguished themselves in such sports as football, basketball, baseball, track, etc. To be eligible for membership a candidate must have made a splendid showing in some phase of intercollegiate athletic competition, which thereby entitles him the privilege of wearing the Ohio Northern insignia.

Notwithstanding their athletic participation, it is the object of this group to promote and aid in the various campus activities. It was through the efforts of this group that Ohio Northern has motion picture taking equipment which is used at each football game, recording on film every play in the game.

First Row: Schwall, Hurley, Lawless, Reese, Healey, Marcus, Cobb, Kubbs, Fry, Snyder. **Second Row:** Mgr. Freyfogle, Goodin, Pons, Shoemaker, Ford, McCaulley, Preston, Dicke, Geer, Bowden, Miller, Davies, Mgr. **Third Row:** Getman, Wolff, Thomas, Mustine, Tannotti, Mahan, Linder, McCutcheon, Deitzer, Bumba, Hatala, St. Albans, Clark, Jack Guy.

Freshman Football

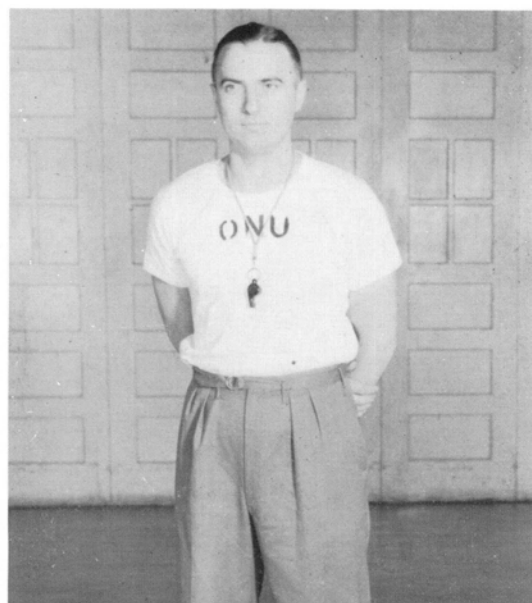

Over thirty-five freshmen answered Coach Jack Guy's call for frosh football players, and under his direction a first class squad was developed. Two traits which were outstanding among this crop of yearlings were aggressiveness and enthusiasm. The majority of these men will make up varsity hold-overs and are good enough to be able to be given some regular berths.

Each Monday they were given the formations and tactics of the opponents. At certain times throughout the season varsity plays were taught the boys with success enough to enable them to defeat a sophomore varsity squad after the regular season.

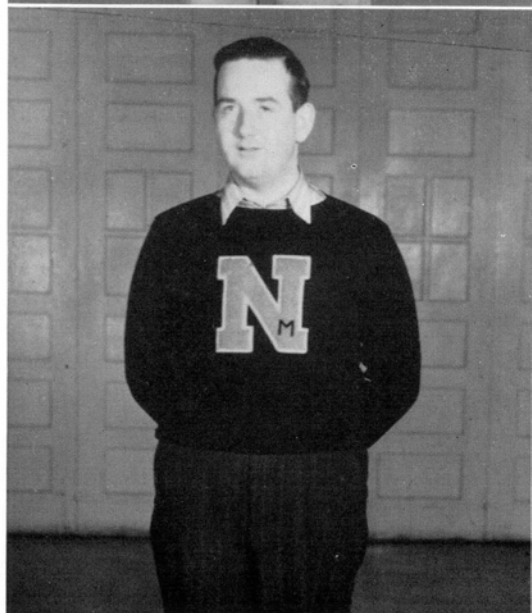

Among the outstanding players in the back-field were Lawless, Hatala, Mahan, and Snyder; in the line were St. Albin, Shoemaker, Grabiss, Geer, Marcus, Jannotti and Bumba.

Coaching this year's basketball team was Harris Lamb. Harris has had more than merely class room experience when it comes to basketball. While attending Coe College he made the mid-western conference team for four consecutive years, no little accomplishment itself considering how tough this league is. Northern has only lost one basketball game on their home floor in two years.

The Northern varsity basketball team this year was rather small but fast with a real bunch of fighters. So great was the team spirit that every home game Northern has had the black and orange men on the heavy end of the score. At the end of the season Northern found themselves to be sixth in the conference. The team averaged forty-four points per game against their opponents' thirty point average.

Outstanding among the Northern courtmen were George Keel and Eddie Chojnicki, who were the high point men of the season and who were placed on the "all conference team." Mallone, Halstead, and Brown developed into real players and should lead the Polar Bear offense next year. Those leaving Northern by graduation in June will be Ruby, Redner, Chojnicki, Winters, and Rogers.

Ohio Northern's basketball team finished a successful campaign this year placing high in the Ohio Conference winning 8 out of 14 contests. Against its non-conference foes, the Bears chalked up four victories with no defeats for a season total of 12 wins and only 6 losses.

Against their usual first game opponents, the Giffin Chows, they won by the over whelming score of 55 to 17. An invitational tournament was held at Findlay College in which Heidelberg, Denison, Findlay, and Northern participated. A bit unusual, the purpose of the tournament was to give the teams stiffer opposition before the holidays. Northern broke even in the short series, defeating Findlay 38 to 29 before bowing to Denison's sophomores by the score of 43 to 36.

On January 6th Northern played host to the Capital Lutherans in a contest that marked the beginning of the "stretch"—13 games ending with the Wilmington fray on February 21st. Staving off a last minute rally that almost ruined the perfect home record before it got off to a good start the Bears edged off Capital 46 to 45 for their third victory in the season.

Moon

Avenging their lone defeat thus far in the season, the Bears spanked the Big Red of Denison 43 to 28. Two night, later Hiram was added to the growing list of Northern victims as they succumbed 31 to 30 in a nip and tuck battle of forty minutes.

Taking to the road the week-end of January 19th and 20th the Polar Bears met with reverses at the hands of Mt. Union and Ashland Colleges. The "Mounts" were definitely on as they won 37 to 28. Unable to stop the fast break of Ashland's tall boys they were defeated the next night 52 to 44.

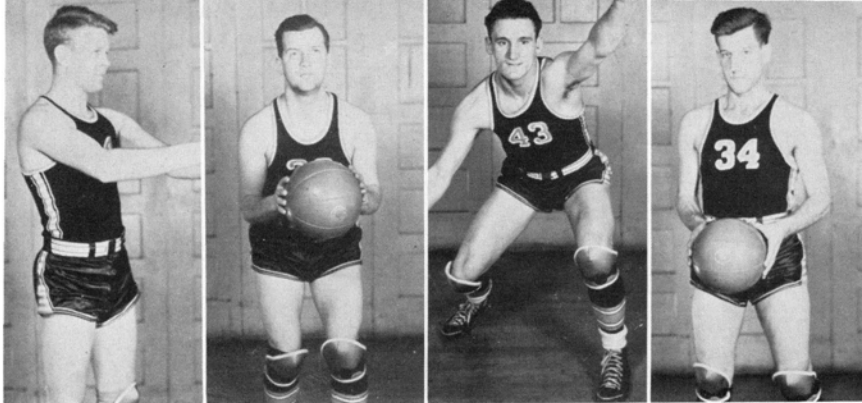

Returning back to their own lair, the avengeful Bears defeated their near-by rivals from Bluffton College and the Findlay Oilers for the second time 42 to 36. With the score 51 to 45 the Orange and Black chalked up their seventh victory by beating the Student Princes of Heidelberg College.

Malone
Winters

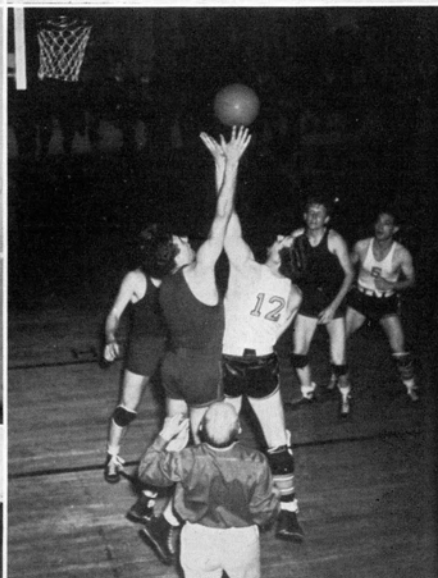

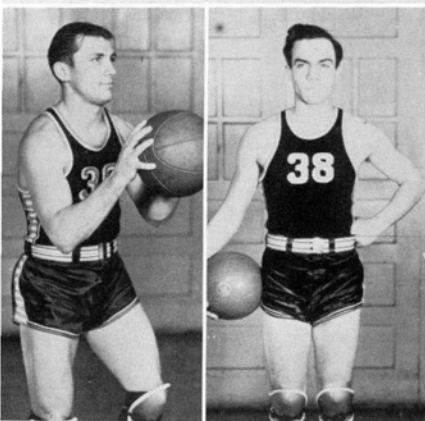

Lack of height played an important part as the Fighting Muskies defeated Northern 63 to 49 in the fourth loss of the season. Playing their best basketball Northern put down two of the better conference teams in defeating Wittenberg and then turned the tables to defeat Ashland.

Denison and Capital put two more defeats on the record as the Bears seemed unable to win away from home. The Lutherans inflicted a 53 to 46 loss upon the Bears. The Big Red turned the same trick and nosed out the Harrismen 51 to 48 in a game that was not decided until the last minute elapsed. Then turning again to Findlay the Oilers were defeated 44 to 42 in a very close game. To close up the season the team defeated Wilmington on February 21st.

Freshman Basketball

At the beginning of the year the freshman basketball players were put on one-half of the floor with the varsity on the other in order to give them the same fundamental drill, offenses, and defenses as the varsity. Coach Harris Lamb hopes that by so doing it will better acquaint these frosh players with what may be expected of them when trying out for the varsity team.

Although the boys developed slowly because of stress on fundamentals, toward the end of the season they made the varsity team hustle.

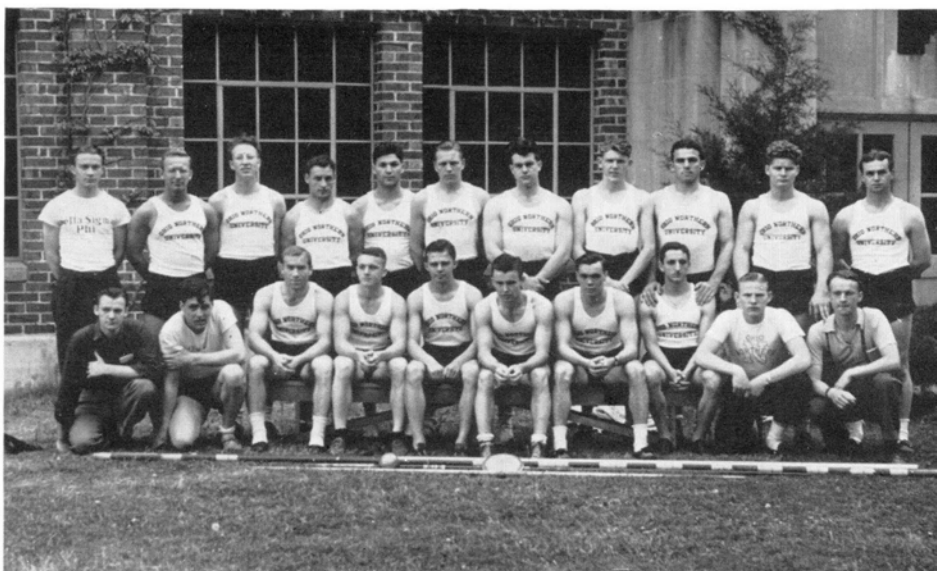

Varsity Track

What the final outcome of Northern's 1940 seasonal track meets is going to be is hard to predict as the Northern goes to press. However, a great deal will depend on men such as White, Banks, Mallone, and Feinerer who have already proved themselves in the past.

The track men have a tough schedule this year. There will be nine meets beginning April 19th and closing May 25th.

Tennis

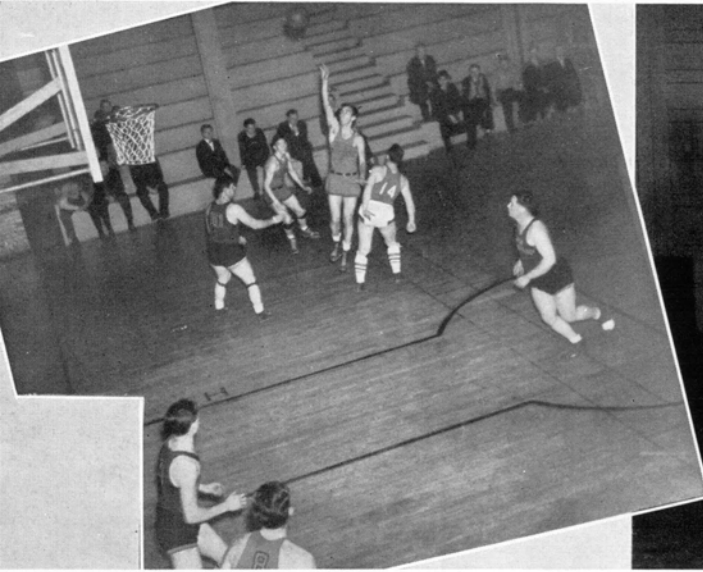

Starting on May 1st Northern began their Tennis matches supported by veterans Epstein and Yasgoor. Colleges met were Wittenberg, Bluffton, Wilmington, Bluffton, Wilmington, Capital, and another match with Capital which ended the season on May 21st.

Fencing

Ohio Northern swordsmen went down to defeat in all their matches held during the season but not dishonor. With more experience the team looks forward to next years matches.

Interfraternity Basketball

Coming out on top over all their opponents, the Theta Nu Epsilon basketball team accomplished a record for not being defeated during their entire season. The greatest asset was their reserve strength, for they had three teams throughout the entire season. High point man was Marty Mahen. Composing the squad were: English, Thomas, Bray, Mahew, Sharer, Getman, Morris, Bumba, Lawless, and Ford. Lloyd Brown was the team's coach.

Second Row: Handball: Kubasak, Chojnicki; **Horse-shoes:** Rogers, Kreider; **Intermural Manager:** Ed Johnson; **Pushmobile:** Schoenberger, Arthur, Folsom, Messenger, Messersmith, Stahler, Jones, Parks, Whitmore, Richardson.

EXECUTIVE COUNCIL

This governing board is made up of the officers of the association and the heads of the various sports. Officers for the past year are Marion Kerr, president; Leila Mae Baum, vice-president; Evelyn Neiswander, secretary; Phyllis Aurthur, treasurer. Heads of sports are Wilma Crall, hockey; Janet Hafer, tennis; Kathryn Wyler, archery; Jo Royon, volleyball; Bettie Ransbottom, basketball; Fern Lutz, minor sports; Fleetie McPeck, gymnastic activities.

W. A. A.

One of the most active organizations on Ohio Northern's Campus is the Women's Athletic Association, whose aim is to provide a program of activities broad enough to have an appeal for every girl in the College. Its purpose is to create physical efficiency, athletic accomplishment, scholarship, and good sportsmanship.

In addition to conducting various athletic tournaments, the association sponsors an annual Senior High School Play Day. In the spring it presents the W. A. A. Revue and the Award Banquet.

W.A.A. REVUE

Toward the spring of the year all efforts in the athletic department are combined to present the outstanding athletic show of the year, the W. A. A. Revue. Together with that of the department, talent is brought in consisting of novelties, dances, music, in order to make the Revue a success. Outstanding performances during the 1940 Revue were Medieval Revues and Greek games portrayed in rhythm. Student chairman of the Revue for this year is Fleetie McPeck.

INTRAMURALS

Intramurals play an important part in athletics at Ohio Northern, allowing keen competition among independent organized teams and sororities.

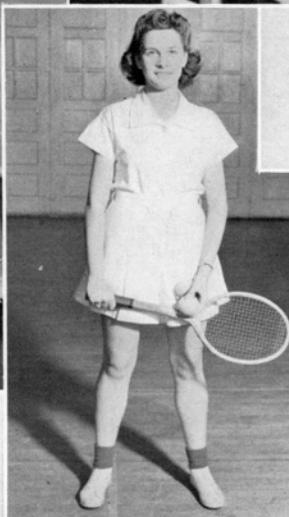

There are two major Round Robin Tournaments. Volleyball was played in the Fall quarter and was won by the Upperclass Independents. Basketball was played in the Winter quarter. Among the lesser elimination tournaments classed as interme-

diate sports were badminton, ping-pong, deck tennis, shuffleboard, and the minor sports such as dart archery, free throw, jacks, and jumping rope.

At the end of the intramural season an All Sports Trophy is awarded to the organized group having the greatest number of points in the various major, intermediate, and minor sports. This year the trophy was awarded to the Theta Phi Delta sorority for the first time.

S P O R T S

ALVA TOLF

Instructor in health and physical education and head of the women's athletic division is Alva Tolf. Graduate of Coe College she obtained her master's degree from the University of Chicago. Affectionately called "Tolgy" by her students, her greatest interest is in "her girls". Her girls not only regard her as an excellent teacher but a fine friend and a good sport.

FOLK DANCING

Confucius was once reported to have said, "To broaden mind one must travel." This old advice was well taken by the modern folk dancing classes as they skipped from England to France, from France to Germany to the Scandinavians to the Netherlands, and back to America, learning through body movement the racial characteristics and dance interpretations of these various countries.

(lower right)

First Row: Hover, Holcomb, Schafer, Baum. **Second Row:** Knisley, Hakala, Ransbottom, Kerr.

RHYTHMS

Rhythms reveal one of the most individualistic activities taught in Ohio Northern's athletic department. It develops poise and grace in movement, in accord with the beat of rhythm, encouraging the appreciation of the Value of art in the higher type of dance and disclosing educational opportunities and inspiration through expression by body movement.

FENCING

Femmes and. Foils recalls another very old but still a fine sport. A fine sport in a clashing sort of way, as the girls' instructor for the year, Robert Messersmith calls out, "On guard! Fence! It's a fight to the finish!"

W O M E N ' S S P O R T S

FIELD HOCKEY

Rain or shine, snow or sleet, Northern's vigorous co-eds put up a real battle for that white twine ball which their team may carry over the goal to victory. Invaluable for its training in teamwork, spirit, and cooperation, the game is thrilling not only to the players but to the spectators.

TENNIS

Northern co-eds no longer take towards the strenuous sports. During the "softer" sports but look more in the Spring and Fall these girls really take their tennis seriously, and after practice and training offered by the department have revealed themselves to be top-notch players.

BASKETBALL

Basketball training for teachers and enthusiastic players is a Winter quarter activity. Not only vigorous but rigorous this sport allows for exercise of the entire body and an opportunity to prove—"That's not fat, that's muscle!"

TAP

What routine! Pep! Co-ordination! What flying, clicking feet! Though Northern has yet to land one of its tap dancers under the bright lights of Hollywood, nevertheless, with such talent as she possesses and the real training these girls go through, you never can tell what might happen.

ARCHERY

Bull's eye! This most joyous but seldom heard shout rings out through the Fall or Spring air when fair co-eds are trying their luck with bows and arrows. The ever crowded archery ranges verify that this old medieval sport is still popular even in our modern day.

Going through the highways and byways of life shoulder to shoulder, a deep love for your neighbor, an understanding of your fellow man are elements of true brotherhood. Its strength and endurance stand out like a rock in the shifting sands of the desert. A true friend, a companion, a brother —a fraternity man.

A shining example of beauty and pleasure stand the edifices commonly known as sorority houses in which live girls that match the structures in appearance. Adding a touch of home to an otherwise strange, impersonal life the girls find the same companionship here that they left behind them. Bounds of friendship are the bounds of sisterhood. Truly, earth's beauty can easily be found in the personality of the sorority woman.

WELLS HOUSE
WEST UNIVERSITY

For girls who are not affiliated with a sorority on the campus, and for all Freshmen women the co-ed houses have been organized under the supervision and direction of the Association of Women Students' Board.

The co-ed houses are under the supervision of the Association of Women Students' Board. The vice-president of this Board is delegated to be primarily responsible for the various programs conducted in each of the houses. Among her duties is the visitation of each of the houses and the conduction of an election of officers for each house. Their president, in turn, is a representative of the group in the Legislative Board and House Council meetings held each month.

In Appreciation

In the work and preparation the 1940 NORTHERN has gone through many processes; the creation of the theme, organization of the staff, layouts of pages, the engraving, the cover design, the write-ups, and finally after many other small details the annual goes to press, is bound, and is distributed to the students.

Cooperation is more than a sentiment, it is a necessity and at this time I would like to express my appreciation to—

The members of the editorial and business staffs.

Lawrence J. Freeman, faculty adviser.

Z. La Verne Daring, business adviser.

Janice and Paeszler Studios.

F. N. Ropkey, Russell R. Benson, Fred Noer, and Gad Pearce of the Indianapolis Engraving Company.

Robert Wilson of the Kingsport Press.

Lester Kisabeth and Paul Young of the Gray Printing Company.

To all members of the student body.

Walter L. White
Editor-in-Chief

★ *Happy Days!!*

*I*N PRODUCING this yearbook we hope it will recall, in the years to come, many pleasant memories.

Each year the Gray Printing organization is happy to play an important role in interpreting through yearbook staffs — events of historical significance of many high schools and colleges . . . by Fine Letterpress or Distinctive Gray-Lith, your happy days are recorded.

★ BIG MAN ON CAMPUS

"IF I WERE an editor I'd make sure of two things—first,

that my editorial experience would not make me lead

a dog's life, and second, **I'd** not be consistently in the dog house with every one including my instructors because of my yearbook activity. My way would be **to** choose an outfit that does more than put their feet **on** my desk and pat me on the back, I'd call for Indeco service because it is complete and the best help an editor can get in producing an unusual annual within his budget. Ask the staff on this book if I'm not right,"
